## **Definitions**

“**Contractor**” shall mean the party stated in Box 4.

“**Contractor’s Group**” shall mean the Contractor, its affiliated and related companies and its respective contractors and subcontractors, and employees of any of the foregoing (including but not limited to any Personnel).

“**Equipment**” shall mean the equipment with particulars stated in Annex C (Equipment Rates and Particulars).

“**Personnel**” shall mean the personnel as stated in Annex B (Personnel Rates). References to Personnel shall not be applicable if, in accordance with Box 5(b), the parties have agreed that the contract shall be for Equipment hire only.

“**Requesting Party**” shall mean the party stated in Box 3.

“**Requesting Party’s Group**” shall mean the Requesting Party and its contractors, subcontractors, co-venturers, and employees of any of the foregoing.

### **1. Nature of Contract**

- (a) By this Contract the Requesting Party hires the Contractor to perform the services summarised in Box 6 and set out in Annex A (Scope of Work).
- (b) Neither party shall assign or transfer this Contract or any part thereof to any other person or company without the prior written approval of the other party.
- (c) The Requesting Party shall be responsible for notifying the relevant authorities as required by Federal Law or State Law of the discharge. The Contractor, however, is not precluded from notifying such authorities if deemed appropriate.
- (d) A Qualified Individual or other authorised representative of the Requesting Party shall be available during the performance of the services with the full authority to act on behalf of the Requesting Party.
- (e) At the time of the request for the deployment of response resources, the Requesting Party, the Qualified Individual, or other authorised representative of the Requesting Party, shall give the Contractor written authorisation to proceed with deployment of response resources. Upon receipt of such authorization, the Contractor shall use its best endeavours to deploy such response resources in a timely manner recognising that time is of the essence. Upon the Contractor's arrival at the scene of the discharge, the Contractor shall continue to act in accordance with the instructions of the Qualified Individual, or other authorised representative of the Requesting Party, subject to the terms of this Contract.
- (f) The Contractor shall regularly and, to the extent necessary and practical, confer and consult with the Requesting Party, the Qualified Individual, or authorised representative concerning the nature of the incident, necessary response activities and progress of the response. Control of the response activities remains with the Requesting Party, the Qualified Individual or authorised representative with the acknowledgement and concurrence of the Federal On-scene Coordinator (FOOSC) and State On-scene Coordinator (SOSC). No action shall be taken by the Contractor without the prior approval of the Requesting Party, the Qualified Individual or authorised representative, provided that the Contractor or any of the Personnel may decline to carry out any instruction and take any action necessary in any situation where (in the sole discretion of the Contractor or its Personnel) a breach of applicable regulations may be committed or the safety of personnel is deemed to be at risk.
- (g) The Contractor shall provide the Requesting Party with daily progress reports in writing.

**PART II – US RESPONSECON**  
**BIMCO/ISCO US Spill Response Contract**

- (h) The Requesting Party shall not sublet or loan the Equipment or any part thereof, or subcontract or assign any Personnel without the prior written approval of the Contractor. Notwithstanding any approval from the Contractor, the person or company taking such sublet, loan, subcontract or assignment (as the case may be) shall be deemed to be the agents of the Requesting Party for all the purposes of this Contract and the Requesting Party shall always remain responsible to the Contractor for due performance of this Contract.

**2. Mobilisation and Demobilisation**

- (a) The Contractor agrees to have the Equipment and Personnel mobilised and the Requesting Party shall pay to the Contractor within three (3) working days of the date of commencement of services/mobilisation stated in Box 2, eighty per cent (80%) of the estimated mobilisation charges, with the final balance to be paid within three (3) working days of the agreement between the parties of the sums due as determined in accordance with Subclause 5(c).
- (b) Demobilisation of Personnel shall be mutually agreed between the parties and the hire rate shall cease upon arrival back at the original place(s) of mobilisation.
- (c) Demobilisation of Equipment shall be mutually agreed between the parties and the hire rate shall cease upon arrival back at the original place(s) of mobilisation with (i) the Equipment in a clean and fit for purpose state, or (ii) at the Requesting Party's option, like for like replacement, both being at the Requesting Party's expense.
- (d) Payment of demobilisation charges shall be made in accordance with Clause 4 (Invoicing).

**3. Warranty and Permits**

Save where in accordance with Box 5(b) and Clause 6 the contract is for Equipment hire only:

- (a) the Contractor shall deliver the Equipment in accordance with the description in Annex A (Scope of Work) and shall warrant its condition, quality and fitness for purpose; and
- (b) the Contractor shall be responsible for obtaining and maintaining at its own expense (subject to reimbursement by the Requesting Party) any licences, approvals, authorisations, permits or visas required for the Equipment and Personnel to be deployed to and/or employed for the services agreed. The Requesting Party shall provide the Contractor with all reasonable assistance in connection with the obtaining and maintaining of such licences, approvals, authorisations, permits or visas.

**4. Invoicing**

- (a) All invoices shall be issued at the frequency stated in Box 10 and in the currency stated in Box 11. In respect of reimbursable expenses incurred in currencies other than the contract currency, the rate of exchange into the contract currency shall be that quoted by the Contractor's bank stated in Box 11, as at the date of the transaction.
- (b) For any invoices in excess of the amount stated in Box 12, the contractor may request an eighty per cent (80%) payment on account within ten (10) calendar days from the invoice date. Subject to Subclause (f), the twenty per cent (20%) balance shall be paid within thirty (30) calendar days from the date of the invoice.
- (c) The Contractor shall issue invoices for payments due under this Contract as stated in Box 10 and at the termination of this Contract.
- (d) Save where Subclause (b) applies and subject to the provisions of Subclause (f), the Requesting Party shall make payment within thirty (30) calendar days (the Due Date) from the date of each invoice, net of bank charges and withholding tax (which shall be for the Requesting Party's account), in the mode stated in Box

**PART II – US RESPONSECON**  
**BIMCO/ISCO US Spill Response Contract**

11. Any VAT, withholding tax or other taxes, as applicable, chargeable on payments due under this Contract shall be added to the relevant sums due hereunder.

- (e) If payment is not received by the Contractor within five (5) working days following the Due Date, the Contractor may charge interest from the day following the Due Date at the rate stated in Box 13 or, if left blank, at an annual rate of four per cent (4%) above the US Prime Rate until paid in full.
- (f) Where an invoice is disputed:
  - (i) The Requesting Party shall notify the Contractor before the Due Date. The undisputed portion of the invoice shall be paid in accordance with Subclause (c) and Subclause (d).
  - (ii) The Requesting Party shall be entitled to withhold payment of the disputed portion provided that such portion is reasonably disputed and the Requesting Party specifies such reason in writing. The disputed portion which may be withheld shall not be more than twenty per cent (20%) of the invoiced amount.
  - (iii) If the Contractor proves the validity of the disputed portion of the invoice, the balance shall be paid by the Requesting Party within three (3) working days of a demand to do so together with any interest payable in accordance with Subclause (e) until settlement has been made. Should the Requesting Party's claim be valid, a corrected invoice and credit note as applicable shall be issued by the Contractor.
- (g) Where the Requesting Party fails to make payment in accordance with this Clause or on demand where the validity of a disputed invoice is upheld, the Contractor shall notify the Requesting Party in writing. The Requesting Party shall have three (3) working days in which to effect payment. Should such payment remain outstanding after this time the Contractor shall be entitled to immediately terminate this Contract without further notice and withdraw the Equipment and Personnel without prejudice to any other rights that the Contractor may have, including those under any applicable legislation.
- (h) Where the Contractor chooses not to exercise any of the rights afforded to it by this Contract in respect of any particular late payment or series of late payments, this shall not be construed as a waiver of its right to withdraw the Equipment and Personnel in respect of any subsequent late payment under this Contract, including, where applicable, the ability to present a claim to the Oil Spill Liability Trust Fund (OSLTF) as provided for in the Oil Pollution Act of 1990 (OPA90).

**5. Charges**

The Requesting Party agrees to pay the Contractor the following charges in consideration of the Contractor providing the Equipment and Personnel in accordance with Box 5(a) or Equipment only in accordance with Box 5(b):

- (a) Hire - The hire as stated in Box 9. Hire charges shall be calculated according to hire rates agreed between the Requesting Party and the Contractor and stated in Annex B (Personnel Rates) and Annex C (Equipment Rates and Particulars). Hire shall apply from the earliest time that the Equipment and Personnel are mobilised to the time that the Equipment and Personnel return or are repatriated to the original place(s) of mobilisation in accordance with this Contract. Hire of Personnel includes reasonable personal protective equipment necessary to perform the services. Hire of Equipment includes normal wear and tear. Payment of hire for Equipment will, however, cease if it is lost or becomes a constructive total loss or if Clause 7 (Early Termination) applies.
- (b) Lost Equipment - Where Equipment is lost or becomes a constructive total loss (other than when caused by the fault or negligence of the Contractor) the Requesting Party shall pay the Contractor the reasonable replacement cost within five (5) days of presentation of invoice.

**PART II – US RESPONSECON**  
**BIMCO/ISCO US Spill Response Contract**

- (c) Mobilisation and demobilisation charges - Reasonable mobilisation and demobilisation charges will be paid to the Contractor by the Requesting Party in accordance with Subclause 2(a) upon presentation of full supporting documentation.
- (d) \*Standby rates - The standby rates agreed between the Requesting Party and the Contractor in Annex C (Equipment Rates and Particulars) shall be charged when the Equipment is mobilised but is not actively engaged in the provision of the services including, but not limited to, when in transit, at a forward storage site, undergoing maintenance, repair and cleaning or tied up alongside.
- (e) Cleaning and rehabilitation costs - The cost of cleaning and rehabilitating Equipment hired hereunder. For this purpose, third party materials and services will be charged at cost plus fifteen per cent (15%), and the Personnel involved shall be charged at the agreed rate in Annex B (Personnel Rates).
- (f) \*Other costs and disbursements - Any other out of pocket costs and third party expenses that the Contractor may incur in connection with the performance of this Contract including, but not limited to, all transport/travel costs, reasonable accommodation and living expenses incurred in respect of the Personnel and all fuel and lubrication oils (if any) consumed by the Equipment throughout the duration of the Contract if purchased and/or provided by the Contractor. The Contractor shall be entitled to charge the Requesting Party for all such costs at cost plus fifteen per cent (15%).
- (g) Import/Export duties - The Requesting Party shall be liable for all customs duties, all permits, import/export duties or levies, clearance expenses, fees, taxes and other associated costs relating to the Equipment and Personnel.
- (h) Security - The Contractor may request adequate security for payment from the Requesting Party of the reasonably anticipated charges which may be incurred by the Contractor once a response has been activated which guarantees payment by the Requesting Party of invoices relating to the Contractor's services provided under this Contract in accordance with the Contract terms. Such guarantee will be provided in a form acceptable to both parties within a reasonable time after the incident and may be subject to a fixed amount (where appropriate) and a fixed time limit for services. The Contractor agrees that a letter of undertaking executed by the Requesting Party's P&I Club or its financial security provider will be satisfactory as security for payment.

*\*Subclauses (d) and (f) do not apply if, in accordance with Box 5(b), the parties have agreed that the contract shall be for Equipment hire only.*

**\*6. Equipment Hire**

Where the Requesting Party requests the Contractor to provide equipment only, the following provisions will apply:

- (a) The Contractor shall deliver the Equipment in accordance with the description in Annex C (Equipment Rates and Particulars) and shall warrant its condition and quality but any other warranties as to fitness for purpose etc. (whether implied by law or otherwise) are hereby expressly excluded. Upon delivery the Requesting Party shall fully inspect the Equipment and immediately notify the Contractor in writing of any defects in the Equipment, failing which the Requesting Party shall be deemed to have accepted the Equipment in good working condition subject to the extent of the warranties.
- (b) The Requesting Party undertakes to redeliver the Equipment in the same good condition. Should the Equipment be lost or damaged (save for loss or damage caused by normal wear and tear or by the Contractor's negligence), the Requesting Party shall, at its own expense, replace or reinstate the Equipment to its original condition and the Equipment shall remain on hire until such replacement or reinstatement is complete. The Requesting Party shall however have the option of paying to the Contractor the value of the

**PART II – US RESPONSECON**  
**BIMCO/ISCO US Spill Response Contract**

Equipment and following which the Requesting Party's obligations for the Equipment under this Clause shall cease together with the payment of hire.

- (c) The Requesting Party undertakes that the Equipment shall never be used, whether in a training exercise or otherwise:
- (i) recklessly, or without due regard for the safety of any person or property, or with deliberate intent to cause injury, loss or damage;
  - (ii) without adequate training;
  - (iii) without adequate or suitable personal protection equipment; and
  - (iv) otherwise than in accordance with any instructions or recommendations given by the manufacturers and/or the Contractor.
- (d) The Requesting Party undertakes to:
- (i) take all necessary steps to protect and preserve the Equipment in good condition and working order;
  - (ii) provide all fuel and lubricating oil for use of any motorised Equipment;
  - (iii) check the quality and amount of lubricating oil and diesel in any of the motorised Equipment at appropriate intervals and maintain them as recommended in the Equipment manufacturer's specifications;
  - (iv) keep the Contractor fully informed of the location of the Equipment and of any malfunctioning, loss or damage thereof;
  - (v) not part with possession of the Equipment without the Contractor's prior written consent;
  - (vi) permit the Contractor or its agents or employees access to the Equipment as may be reasonably requested;
  - (vii) take all necessary steps to keep the Equipment free from all liens, charges and encumbrances, and prevent such Equipment from becoming the property of any person other than the Contractor;
  - (viii) not make or permit any modification or alteration to any Equipment without the Contractor's prior written consent; and
  - (ix) comply with, obtain and maintain any necessary permissions under any applicable laws in any country in which the Equipment may be during the hire period and deal with any customs formalities, entry permits or other matters in connection with the operation of Equipment and the transportation/redelivery of Equipment hereunder.

*\*Clause 6 shall apply if, in accordance with Box 5(b), the parties have agreed that the contract shall be for Equipment hire only.*

## **7. Early Termination**

- (a) At Requesting Party's Convenience - The Requesting Party may terminate this Contract at any time by giving the Contractor no less than 24 hours' written notice of termination upon expiry of which this Contract will terminate. Upon such termination, the Contractor shall immediately start to demobilise the Equipment and Personnel in accordance with Clause 2 (Mobilisation and Demobilisation), and any applicable terms of this Contract shall continue until such demobilisation has been completed.

**PART II – US RESPONSECON**  
**BIMCO/ISCO US Spill Response Contract**

(b) For Cause - If either party becomes aware of the occurrence of any event described in this Clause 7(b), that party shall so notify the other party promptly in writing and in any case within three (3) days after such information is received. If the occurrence has not ceased within three (3) days after such notification has been given, this Contract may be terminated by either party, without prejudice to any other rights which either party may have, under any of the following circumstances:

(i) Requisition - If any government or state agency requisitions for hire or title or otherwise takes possession of the Equipment.

(ii) Confiscation - If any government, individual or group, whether or not purporting to act as a government or on behalf of any government, confiscates, requisitions, expropriates, seizes or otherwise takes possession of the Equipment (other than by way of arrest for the purpose of obtaining security).

(iii) Bankruptcy - In the event of an order being made or resolution passed for the winding up, dissolution, liquidation or bankruptcy of either party (otherwise than for the purpose of reconstruction or amalgamation) or if a receiver is appointed or if it suspends payment or ceases to carry on business.

(iv) Force Majeure - If a force majeure condition prevents or hinders the performance of the Contract for a period exceeding fifteen (15) consecutive days from the time at which the impediment causes the failure to perform if notice is given without delay or, if notice is not given without delay, from the time at which notice thereof reaches the other party.

For the avoidance of doubt, neither party shall be liable for any loss, damage or delay due to any of the following force majeure conditions to the extent that the party invoking force majeure is prevented or hindered from performing any or all of its obligations under this Contract, provided it has made all reasonable efforts to avoid or minimise the effect of such conditions:

- acts of God;
- any circumstances arising out of war, threatened act of war or warlike operations, acts of terrorism, sabotage or piracy, or the consequences thereof;
- riots, civil commotion, blockades or embargoes;
- epidemics;
- earthquakes, landslides, floods or other extraordinary weather conditions;
- strikes, lockouts or other industrial action (unless limited to the employees of the party seeking to invoke force majeure);
- fire, accident or explosion except where caused by the negligence of the party seeking to invoke force majeure;
- any other similar cause beyond the reasonable control of the party seeking to invoke force majeure.

(v) Default - If either party is in repudiatory breach of its obligations hereunder.

(vi) Loss of Equipment – Where Box 5(b) (Equipment hire only) has been chosen and subject to the provisions of Subclause 6(b), if the Equipment is lost or becomes a constructive total loss.

Termination as a result of any of the abovementioned causes shall not relieve the Requesting Party of any obligation for hire and any other payments incurred in accordance with this Contract up to the time of termination, including demobilisation charges in accordance with Clause 2 (Mobilisation and Demobilisation).

**8. Liabilities and Indemnities**

- (a) The Contractor agrees to indemnify, defend and hold harmless the Requesting Party from and against any and all costs, liabilities, claims, demands and causes of action which the Requesting Party may suffer, incur or pay out to the extent caused by the gross negligence or wilful misconduct of the Contractor's Group, or the Contractor's failure to observe or comply with any applicable law, regulation or lawful authority or its failure to observe or comply with and fulfil its obligations under this Agreement, except to the extent that such liabilities, claims, demands and causes of action occur as a result of the Requesting Party's failure to observe or comply with any applicable law, regulation or lawful authority, or its failure to observe or comply with and fulfil its obligations under this Agreement or as a result of the gross negligence or wilful misconduct of the Requesting Party's Group or third parties.
- (b) The Requesting Party shall indemnify, defend and hold harmless the Contractor's Group from and against any and all costs, liabilities, claims, demands and causes of action which the Contractor may suffer, incur or pay out to the extent caused by the gross negligence or wilful misconduct of the Requesting Party or the Requesting Party's failure to observe or comply with any applicable law, regulation or lawful authority or its failure to observe or comply with and fulfil its obligations under this Agreement, except to the extent that such liabilities, claims, demands and causes of action occur as a result of the Contractor's failure to observe or comply with any applicable law, regulation or lawful authority, or its failure to observe or comply with and fulfil its obligations under this Agreement or as a result of the gross negligence or wilful misconduct of the Contractor's Group.
- (c) The Requesting Party agrees to indemnify the Contractor against liabilities for removal costs and damages arising out of a threatened or actual discharge, except to the extent that:
- responder immunity applies under Federal or State law;
  - the liabilities arise from the gross negligence or wilful misconduct of the Contractor;
  - the Requesting Party would not have been liable if sued directly;
  - the Requesting Party would have been able to limit its liability; or
  - the liability arises in respect to death or personal injury.
- (d) Notwithstanding any other provision contained in this Contract to the contrary, neither party shall be liable to the other party for, and each party expressly waives and releases the other party and its subcontractors from and against, any punitive, indirect, special, exemplary or consequential damages of any kind including, without limitation, lost profits or loss of use, regardless of the cause and legal theory of recovery, including negligence, gross negligence or wilful misconduct of the party being released, even if the parties hereto have been advised of the possibility of such damages or loss or the damages were within the contemplation of, foreseen by or reasonably foreseeable by the parties.
- (e) \*The Contractor's liability for any loss, damage or delay sustained by the Requesting Party as a result of the Equipment being prevented from working shall be limited to suspension of hire, except where such loss, damage or delay has been caused solely by an act or omission of the Contractor or the Contractor's Group.
- (f) The Requesting Party shall be responsible for disposal of all oil and hazardous substances collected by the Contractor but at no time shall the Contractor be considered to have title, even where the Contractor may be in possession or control of such substances as the Requesting Party's agent, provided that:

**PART II – US RESPONSECON**  
**BIMCO/ISCO US Spill Response Contract**

(i) where acting as the Requesting Party's agent, the Contractor acted in accordance with all legislation and regulations applicable at the time of the disposal; and

(ii) the Requesting Party shall not be responsible for any liabilities arising out of the Contractor's negligent handling or disposal of oil and hazardous substances.

- (g) The Contractor's Group shall, where applicable, be entitled to rely on the responder immunity provisions of OPA 90 and nothing herein shall be construed to allow the Requesting Party to recover from the Contractor's Group any amounts for which the Requesting Party is liable and for which the Contractor's Group would have no liability under OPA 90's responder immunity provisions. Nothing in this Contract shall prevent either party from limiting its liability at law.

*\*Subclause 8(e) shall apply if, in accordance with Box 5(b), the parties have agreed that the contract shall be for Equipment hire only.*

**9. Insurance**

- (a) The Requesting Party shall procure and maintain in effect for the contract period adequate third party insurance with a Protection and Indemnity Mutual Insurance Association (P&I Club) or some other acceptable evidence of financial responsibility in the amount required by any applicable legislation or USD 1 million, whichever is the greater to cover its liabilities hereunder. Reasonable deductibles are acceptable and shall be for the Requesting Party's account.
- (b) Where permissible under the terms of the Requesting Party's insurance policies, the Contractor shall be named as co-insured, and the Requesting Party shall cause the insurers to waive subrogation rights against the Contractor.
- (c) The Contractor shall procure and maintain in effect for the contract period, with reputable insurers, General Liability and Contractor Liability Insurance with limits in excess of USD 2 million per occurrence to cover its liabilities hereunder. Reasonable deductibles are acceptable and shall be for the Contractor's account.
- (d) Prior to delivery of the Equipment and Personnel, each party shall provide the other with copies of its certificates of insurance which provide sufficient information to verify that the parties have complied with the insurance requirements of this Contract.

**10. Contractor Warranties and Classification**

The Contractor warrants that it will have and maintain all necessary Federal and State licences, approvals and, where applicable, classifications as an Oil Spill Removal Organisation, as provided under Federal law and State law.

**11. Health and Safety**

The Contractor's Group shall comply with and adhere to all applicable international, national and local regulations pertaining to health and safety.

**12. Media and Confidentiality**

- (a) The Requesting Party shall have exclusive responsibility for all media and press communications in connection with the incident. The Contractor shall refer all media and press enquiries to the Requesting Party and shall use reasonable efforts to try to prevent anybody connected with or purporting to represent the Contractor's Group from communicating - whether orally, in writing or by electronic means - any data, information, opinions or any other information of any kind whatsoever to any third party without the prior written approval of the Requesting Party.

**PART II – US RESPONSECON**  
**BIMCO/ISCO US Spill Response Contract**

- (b) The Requesting Party and the Contractor shall treat all non-public information and data generated as a result of the incident as confidential and shall not disclose such information or data to any third party without the prior written approval of the other, except as directed by the FOSC and SOSC or as necessary for the performance of this contract (including the Requesting Party's exclusive responsibility for all media and press communications) or for the purposes of consultation with their respective insurers or as may be required by law or for the purposes of legal disclosure.

**13. Notices**

- (a) All notices given by either party or their agents to the other party or their agents in accordance with the provisions of this Contract shall be in writing.
- (b) For the purposes of this Contract, "in writing" shall mean any method of legible communication. A notice may be given by any effective means including, but not limited to, cable, telex, fax, e-mail, registered or recorded mail, or by personal service.

**14. Severance**

If by reason of any enactment or judgment any provision of this Contract shall be deemed or held to be illegal, void or unenforceable in whole or in part, all other provisions of this Contract shall be unaffected thereby and shall remain in full force and effect.

**15. Entire Agreement**

This Contract, including all annexes referenced herein and attached hereto, is the entire agreement of the parties, which supersedes all previous written or oral understandings and which may not be modified except by a written amendment signed by both parties.

**16. Dispute Resolution Clause**

This Contract shall be governed by U.S. maritime law or, if this Contract is not a maritime contract under U.S. law, by the laws of the State of New York. Any dispute arising out of or in connection with this Agreement shall be referred to three (3) persons at New York, one to be appointed by each of the parties hereto, and the third by the two so chosen. The decision of the arbitrators or any two of them shall be final, and for the purposes of enforcing any award, judgment may be entered on an award by any court of competent jurisdiction. The proceedings shall be conducted in accordance with the rules of the Society of Maritime Arbitrators, Inc. current as of the date of the agreement.

In cases where neither the claim nor any counterclaim exceeds the sum of USD 100,000 (or such other sum as the parties may agree), the arbitration shall be conducted in accordance with the Shortened Arbitration Procedure of the Society of Maritime Arbitrators, Inc. current as of the date of the agreement.
